Through The President, District Board

and The Director of Public Instruction

Madras.

Sir,

In continuation of this office C.R.No 343/29 dated 9-11-29, I have the honor to bring to your kind notice that the District Educational Officer Bellary has recommended the strengthening of the existing staff of some of the Elementary schools by the appointment of the Secondary grade teachers, opening of new schools and employment of additional teachers in some of the schools in his R.C.No 691/29 dated 21-5-29 and R.C.R.No 1755/29 dated 26-10-29 and 8-11-29 (copies enclosed). The Board sanctioned the entertainment of 4 secondary grade ^{trained} teachers temporarily till the end of 30-4-30. ^{His continuance} is not possible owing to the slender resources of the Board

Several petitions from the villagers are pouring in to open the new schools in schoolless villages and to abolish the aided schools and establish Board schools as the education given to their children in aided schools is not the one and the same as is taught in the Board schools

3. There are no schools in the enclosed list of 80 villages, the population of which is 500 and above with a total population of 65050. Out of 246 villages under this

under this Taluk Board area. 61 schools have been provided in 41 villages with a staff of ¹⁰⁵~~100~~ teachers. Schools have to be opened in 205 villages out of which 80 villages contain the population above 500. The entertainment of additional teachers for the growing 61 schools in 41 villages with a population of 38991 is necessary.

4. The Government grant given for the Elementary Education fund of this Taluk Board is Rs 21020. It will not suffice to maintain the existing staff. The Board has contributed Rs 8800 from its General Funds to the Elementary Education Fund. The amount from general funds to the extent of Rs 2000

will have to be over drawn from the budgetted provision to meet the extra cost caused on account of the entertainment of Secondary grade teachers. In anticipation of grant from you to maintain 4 trained S.S.L.C. teachers we have spent the amount out of our slender funds. I therefore request you to provide grant for it and make it a permanent one by providing the subsidies. The funds of the Board are limited and the extra charges cannot ever be transferred for Elementary Education Fund other than the budgetted provision. Hence no improvements can be made in the cause of Elementary education other than the maintenance of the existing affairs. I therefore request that the Government will kindly reconsider its orders and grant subsidies to carry out the recommendations of District Educational authorities.

Copy of letter R.C.No 213 G1 dated 13-5-29 & of the Deputy Inspector of schools Hospet Range to the President Taluk Board Hospet through the District Educational Officer Bellary.

With reference to your C.R.No 190/29 dated 20-4-29, I have the honor to forward the following proposals:-

I. Opening of new schools

(1) The schoolless centers with a population of 500 and more are two in this Range Viz., Kalapur and Chiribi in Kudligi Taluk. Efforts were made to start an aided school in the localities in vain. Aided agencies do not thrive there. Hence two Board schools one at Chiribi and the other at Kalapur may be started.

II. Strengthening the existing staff by the appointment of Secondary Grade Trained Teachers.

About 10 schools managed by the Board in this range have class V in them. Of these there are about 5 centers where it is worthwhile trying to convert the existing secondary elementary schools into 1st grade elementary schools. They are Oojini, Malvi, Dasamapuram in Kudligi Taluk and Kamalapur and Narayandevarkeri in Hospet Taluk. The localities referred to are fairly populous and are likely to flourish. It is essential that Secondary grade teachers should be appointed to man these schools. Tornagal is another centre where V class could be started and a secondary grade ^{trained} teacher may be posted there.

As matters stand at present there is no dearth of secondary grade teachers and hence their services might be conveniently utilised. They may be started on Rs 35/- and as funds permit they may be given a suitable time scale of pay. Thus in six centres attempts to start first grade elementary schools might be made.

III. Opening of additional standards in existing schools

Taluk Board elementary school at Kudligi has now six standards. Since the school is popular and flourishing, it is highly advisable to start standard VII from June 1929. To do this the staff is to be strengthened by the appointment of another trained secondary grade teacher. He may be started on Rs 35/-.

Copy of letter R.C.No 622 G1 dated 16-10-29 from the Deputy Inspector of schools Hospet Range to the President Taluk Board Hospet

From the reports received from the Headmasters of Following Elementary schools and from a perusal of the monthly returns , I am lead to believe that provision of an assistant to each of these schools is essential as per Madras Educational Rules. I have the honor therefore to request you to make early provision to strengthen the staff . If additional staff is not sanctioned I fear that the work in these schools may suffer.

The strength of the various schools is furnished in a separate statement.

From (Name) W.E. Smith Esq, M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

In resubmitting herewith the papers referred to me for remarks in Government Memo No. 5637-A -1 dated 7--1--30 I have the honour to state that the general position has already been discussed in paragraph 4 of the Director's letter R.C. No. 1201-B/29 dated 17-9-29 disposed of in G.O. No. 2031 Ms. L.E. dated 3--10-29 Government would be committing themselves to unknown expenditure if they entertain such requests as the one under reference. There is nothing in the President's letter which would justify a departure from the accepted policy of the Government.

I have the honour to be,

Sir,

Your most obedient servant,

H. O. Saunders 27/4.
